

United Way of Henry County & Martinsville 2022-2023 Grant Awards

United
Way

Thank you... Because of your support, United Way of Henry County & Martinsville has continued to advance the common good by creating opportunities for success for our most vulnerable families. We have brought together caring individuals, organizations, and businesses throughout the area to support and identify solutions to our region's toughest challenges.

Please visit our website to learn more information about our work, UnitedWayofHCM.org.

We are grateful to all donors who choose to contribute to United Way of Henry County & Martinsville.

Your support allows us to provide financial support to 21 programs and community impact initiatives for 2022-2023. While some funds are donor designated, the majority of these programs and initiatives are part of a rigorous vetting process from a group of 20 to 30 volunteers each year to ensure our investment with your donation has the greatest community impact. The remainder receives their awards through donor-designated contributions.

Despite the challenges that 2021 brought, the United Way was able to exceed its fundraising goal of \$500,000! Thanks to your support, United Way awarded funds to the following Partner Agencies and Programs in support of their highly commendable efforts to meet critical community needs in our focus areas of education, financial stability, healthy living, and Basic Needs Assistance.

In addition to the campaign, we also leveraged grant funds to support our resilient framework to mobilize the area's caring power. Initiatives within this framework are highlighted in purple.

Education

- **ANCHOR** – Provides comprehensive care and individualized treatment to assist youth and their families in achieving optimal health and well-being
- **Boys & Girls Club** – Bridging learning gaps using Project Learn complimented with literacy Initiatives for preschool club members and K-5th grade students
