MHC Partners for Children...

The month of August was a busy month for [MHC Partners for Children](#) (MHCPC), filled with engaging events and valuable resources! On August 11, our dedicated staff provided information on childcare, early literacy, and developmental screenings at two well-attended gatherings hosted by [Just Call Granny](#). Additionally, on August 26, they collaborated with the Martinsville City Public Schools' English Learners program for a wonderful evening of connection and learning with families who speak English as their second language.

The highlight of the month occurred on August 20, when MHCPC hosted a friendship-themed afternoon at

the Maplewood Housing Community. Fifteen children, along with their parents and caregivers, created beautiful friendship bracelets. With a variety of fun materials, tasty snacks, and heartwarming stories, it was a joyful experience for everyone!
